

# Downloads and Notes

## New Relic<sup>®</sup> for Atlassian Bitbucket Server<sup>®</sup> (formerly Stash)

*Supports Stash 3.5 - Bitbucket 4.0*

### Downloads and Notes

This page will be updated with new downloads, as released.

If additional questions on the brief release notes, please [contact us](#) and we can provide more detail from our change list records.

**Note:** If the downloaded format is different than what is shown (for example, \*.zip and should be \*.jar), double-check your Browser settings (especially if using Internet Explorer).

Button	Plugin Version	Stash Version	Release date	Notes
<a href="#">Download</a>	1.1.0	4.0	December 28, 2015	Support Bitbucket 4.0
